

BIANCA & BIANCO

PRODUCT CATALOGUE 2023

ABOUT US

We at Bianca and Bianco are known for and pride ourselves on being the best-suited suppliers and a one-stop shop in the tile industry with specialization and excellence in the Floor and Wall sector. Our expertise lies in providing clients with the best solutions as well as striking the perfect balance between technical characteristics and aesthetic value. Our dedicated team brings together the harmonious reality of our clients' vision enriched with industrial and technical know-how.

Our state-of-the-art showroom has a versatile range of luxurious designs in Porcelain slabs & tiles with numerous solutions in all finishes and formats.

Despite the challenges posed by the pandemic, we have established a benchmark in the market by winning several projects such as 38 Villas at MBRC By District One, Sur la Mer & Port De La Mer By North 25, Herrington House JVC & Wilton Park By Ellington, Mysk Hotel By Aqua Properties. We have also successfully finished several retail projects such as Geant Hypermarket in Dubai Hills Mall, Supercare Pharmacy, Under Armour, Sun & Sand, Red Tag, to name a few.

BIANCA & BIANCO OUR SOURCES

Our entire product range has been designed and produced by top manufacturers in Italy, Spain, India & Turkey. The products are manufactured using top-quality materials which have a superior product lifespan and offers exceptional durability, making it an optimal solution for both high-traffic commercial and domestic spaces. Installation is designed to be simple and efficient.

Environmental Sustainability Bianca And Bianco is committed to the goal of sustainability and providing the best eco-friendly solution to our clients
